CONFERENCE SPONSORSHIP PROGRAM

The Alabama City/County Management Association (ACCMA) holds two conferences each year. The Winter Conference is held in January and the Summer Conference in May. These conferences, which are made possible by the generosity and support of our sponsors, provide our members with the highest quality of educational sessions while offering them optimal networking opportunities.

Through sponsorships, companies receive many benefits, such as added visibility, increased name recognition, and expanded awareness of products and services to city and county government administrative staff and elected officials in Alabama. ACCMA offers four levels of Sponsorship: **Platinum, Gold, Silver, and Bronze.**

Sponsorship fees for ACCMA Conferences are used solely for the expense of the conferences. ACCMA does not endorse any elected official and does not make any contributions to their campaigns.

The purpose of the Alabama City/ County Management Association is to strengthen the quality of and to protect and promote local governments in Alabama by increasing the proficiency and professionalism of city and county managers/ administrators through education, training, association and mutual exchange of information and through cooperation with the Alabama League of Municipalities and the Association of County Commissions of Alabama in the production of meaningful research & information.

*For more information please contact
info@accma-online.org*
